Hi Mark,

I talked with Joe this morning and he has already talked with Martin and Martin has forwarded on the previous talking points. It sounds like we are fine for now and Joe is headed to Denver. He will let us know if we need to have a talk.

Thanks
Mike

Mike and Joe,
How do you want to proceed on the talking points for Julie?

Good morning.

I received a voice message from Julie DalSoglio this morning regarding CFAC. She will be attending a Flathead Basin Commission meeting this week, and Joan suggested she contact me for the latest talking points for the CFAC listing. Attached are the TPs from Thursday night. If you think they should be updated or edited before I send them to Julie, please let me know by noon today so I can send them off to her. I'm going to be out of the office the next two days, so I have to get it done this afternoon.

Thanks!
Cynthia
